Dear Sir:

In response to the Office Action mailed on September 11, 2007 in connection with the above-identified patent application, please enter the following amendments and consider the following arguments. The present submission is accompanied by a request for a three-month extension of time and is therefore timely. Also accompanying the present submission is a Second Declaration of Karen Vousden under 37 C.F.R. §1.132, the entry and consideration of which is respectfully requested.

Remarks/Arguments begin on page 2 of this paper.
